## Police & Emergency Management

We are still trying to compile a list of equipment owned by residents that are willing to participate, such as generators, chainsaws, gators, backhoes, etc. during the event of an emergency. To compile an updated list we're asking that you contact the Village office at 417-338-5599 with whatever equipment or services you would like to volunteer. When an Emergency strikes, the best way to overcome the adversaries is the old "**Neighbor Helping Neighbor**"! So, please, take the time to make that call and help us to be prepared for the next disaster!

## Planning & Zoning Commission

Crowne View is about to complete Phase I of their development with the new construction of the last 3 cabins in that Phase. The Commission is starting to review the 2008 Comprehensive Plan as a guide for future priorities in the Village.

## Roads Committee

We now have a 6 year plan for maintaining our roads. The 1st year plan will start in the Spring; the Committee has been advertising for bids and as soon as the weather permits come March or April we should start seeing the plan come to fusion!

## Recycling News

The Village Recycling Program acknowledges with gratitude the following individuals:

Nick Turner, grandson of Kent and Bev Turner, (Village of Indian Point Resort), for completing his Eagle Scout badge by constructing a new sturdy fence for the IP Recycle Center where the original had deteriorated.

Brett Stump, (Indian Point Marina), for transporting the donated aluminum collected this past year to be sold. The aluminum generated \$315.84 which was added to the Beautification Fund. The Beautification committee is currently working on a project for the corner of Indian Point and John the Diver Roads.

## Trustee News

The Trustees have agreed it's time to upgrade the Village computers, they are investigating to replace the office and police computers.

At the Meeting on October 14, 2014 the Trustees voted to appoint Allen Hamlin, (Our current Full Time Officer) as acting Chief. They are still pursuing taking applications for the Chiefs position but are confident that Allen will continue to maintain the required reporting, while also striving to improve the integrity of the Department!
