The police department wishes to welcome Carl McKinney as our full time officer. Many of you already know Carl as he has been a reserve officer with police department for several months. Carl has 14 years of experience in the law enforcement field, so when you see Carl out and about in your neighborhood, please makes him feel welcome. The reserves will still occasionally be patrolling.

During our recent ice/snow storm we are happy to report only one slide off during the event. Thanks to all who helped out with the roads etc.

Thanks to the Indian Point Women's Club for allowing me to speak to them at their last monthly meeting.

The tourist season is fast approaching. With that we will start seeing increased traffic and visitors to our area. Please be aware of people walking on and around Indian Point road as well as other roads.

As always please be vigilant in keeping your homes and property secured. With the economy growing worse crime can be expected to increase as well as other factors. If you see something suspicious please dial 911 and they will dispatch an officer to check it out.

I would like to thank everyone who donated for the Special Olympics "Polar Bear Plunge". The Indian Point Super Heroes took the plunge on February 14th along with 164 other "Polar Bears". The water temperature was 40 degrees and the air temperature was 46 degrees and the Indian Point Super Heroes collected over \$500.00 in donations. The total amount of money raised for the Special Olympics was \$26,082.

The Board of Trustees took action as to speed limits in the Village. The speed limit on Indian Point Road remains at 40 MPH—speed limit on John the Diver is 35 MPH and all other roads in the Village will be 25 MPH. New signs will be put up in the near future and the old ones removed.

Once again Thank You for your support of your police department.
