## Local New Opportunity

Volunteers are desperately needed to man the Welcome Center located next to the Village Offices.

This is a pleasant job serving local visitors and giving directions and brochures. Anyone interested should contact Pat Turner at 335-8713. Please call—Thank You!

## Police Information

The new siren is completely functional and will be tested on the 2nd Wednesday of each month. The test will consist of Westminster Chimes instead of a traditional siren.

Your police department so far this year has had 750 calls for service, which is up from last year. Please, as always report suspicious activity to the police, and watch your areas for any out of the ordinary activity. The Indian Point Police Department strives to make our area safe and crime free. If at any time you should need assistance, please call. Winter is fast approaching, and so is winter weather. In hazardous conditions, please allow extra time to get to your destination. **Happy Holidays!**

## From your Trustees:

We have an Economic Development Committee which is made up primarily from citizens. They will set a meeting for once a month, and a representative should attend the monthly Board of Trustees to report on the Committee's progress. Interested individuals should contact the Village Municipal Office. There are several grants that we could apply for that would improve the Point. It will be one of the duties of this committee to research which grants might be available and get The Point as many funds as we can.

**Applications** for individuals running for the open **Board of Trustees** positions, can pick up the packets in the Village Office. They forms can be picked up December 14, 2010 or later, and must be returned by January 18, 2011
