New Storm Siren

We have a new Storm Siren, which is located at the Helicopter Landing Zone. This siren will serve the Indian Point Marina area with an outdoor siren for Severe Weather Warnings. We will be conducting monthly test on the storm sirens on the first Wednesday of each month.

ROADS DEPARTMENT

The Indian Point Village has purchased a “NEW” used leaf mulching vacuum for cleaning out the ditches – to prevent stormwater clogs in culverts. We have also replaced our current snowplow truck with this F350 Ford 1 Ton Pickup. For those of you who garden – We will have piles of crushed leaves available for composting and mulching.

INDIAN POINT RECYCLING PROGRAM

The Recycling Center is looking for volunteers! Our Recycling Center is open the last Thursday of the month (weather permitting) from 9 AM to 11 AM. If you have an hour a month, please consider volunteering to help keep our Village (and planet) environment a cleaner place to live. Please contact the Village Office at 338-5599 or Sue Wright at 386-4194 if you would like to join in this effort.

-Accepting -

-Not Accepting-

Glass

Corrugated cardboard

INDIAN POINT WOMEN'S CLUB

The Indian Point Women's Club (IPWC), a social organization, has invited all ladies who are part-time or full-time residents on Indian Point to attend our luncheons. They raise money for local charities/causes and the annual membership dues are \$10 annually which is donated to their sponsored charities. In the past they have adopted Stone County families at Christmas, supported the Backpack Program at Reeds Spring elementary school and the Stone County Food Bank among other charitable causes. They normally meet the first Monday of the month at 11:30 AM at local affordable venues and usually adjourn by 2 PM. Each attendee is responsible for her lunch costs. For more information, please contact Sharon McSpadden, President at 417-942-5025. Please leave a message with your name and phone number.

IPWC looks forward to seeing you at one of the luncheons soon!
